

#1

EASY

*Fale um pouco sobre você.***Tell me about yourself.**

I'm a software developer with experience in Java and backend development. I enjoy solving problems and learning new technologies.

#2

EASY

*Por que você quer trabalhar aqui?***Why do you want to work here?**

I'm interested in this position because I believe my skills match the role, and I'd like to grow professionally with the company.

#3

EASY

*Quais são seus pontos fortes?***What are your strengths?**

I'm organized, responsible, and I'm always willing to learn. I'm also good at solving problems.

#4

EASY

*Quais são seus pontos fracos?***What are your weaknesses?**

Sometimes I focus too much on details, but I've been learning how to manage my time better.

#5

EASY

*Por que devemos contratar você?***Why should we hire you?**

Because I'm motivated, I learn quickly, and I'm committed to delivering good results.

#6

INTERMEDIATE

*Por que você deixou seu último emprego?***Why did you leave your last job?**

I was looking for a new challenge and an opportunity to grow professionally.

#7

INTERMEDIATE

*Onde você se vê daqui a cinco anos?***Where do you see yourself in five years?**

I see myself in a more senior position, taking on greater responsibilities and continuing to develop my skills.

#8

EASY

*Como você trabalha em equipe?***How do you work in a team?**

I communicate clearly, listen to other people, and try to contribute to the team's goals.

#9

INTERMEDIATE

*Como você lida com pressão?***How do you handle pressure?**

I try to stay calm, prioritize my tasks, and focus on solving one problem at a time.

#10

INTERMEDIATE

Conte sobre um problema que você resolveu.

Tell me about a problem you solved.

I had a difficult technical problem, so I analyzed the situation, researched possible solutions, and worked with my team to fix it.

#11

INTERMEDIATE

Qual foi seu maior desafio profissional?

What was your biggest professional challenge?

One of my biggest challenges was learning a new technology in a short period of time. I studied, practiced, and successfully completed the project.

#12

INTERMEDIATE

Como você lida com críticas?

How do you handle criticism?

I try to see criticism as an opportunity to improve. I listen carefully and use the feedback to improve my work.

#13

EASY

Você prefere trabalhar sozinho ou em equipe?

Do you prefer working alone or in a team?

I'm comfortable with both. It depends on the task, but I enjoy collaborating with a team.

#14

EASY

Como você organiza suas tarefas?

How do you organize your tasks?

I prioritize my tasks based on urgency and importance, and I use a task list to stay organized.

#15

INTERMEDIATE

Como você aprende uma nova tecnologia?

How do you learn a new technology?

I usually start with the official documentation, then I practice by building small projects.

#16

HARD

Qual é sua expectativa salarial?

What are your salary expectations?

I'm open to discussing the compensation based on the responsibilities of the position and the overall benefits package.

#17

EASY

Você está disposto a trabalhar remotamente?

Are you comfortable working remotely?

Yes. I'm comfortable working remotely and I'm used to communicating with teammates online.

#18

INTERMEDIATE

Você tem experiência trabalhando com equipes internacionais?

Do you have experience working with international teams?

I'm comfortable communicating in English and I'm interested in working with people from different countries and cultures.

#19

INTERMEDIATE

Como você lida com prazos apertados?

How do you handle tight deadlines?

I prioritize the most important tasks, communicate with my team, and focus on delivering the most important requirements first.

#20

EASY

Você tem alguma pergunta para nós?

Do you have any questions for us?

Yes. Could you tell me more about the team and what a typical day in this position looks like?

#21

INTERMEDIATE

Como você lida com a pressão?

How do you handle pressure?

I try to stay calm, prioritize my tasks, and focus on solving one problem at a time.

#22

INTERMEDIATE

Como você trabalha em equipe?

How do you work in a team?

I communicate clearly, listen to other people, and try to contribute to the team's goals.

#23

INTERMEDIATE

Conte-me sobre um desafio que você enfrentou.

Tell me about a challenge you faced.

I faced a difficult technical challenge, so I studied the problem, researched possible solutions, and worked with my team to solve it.

#24

INTERMEDIATE

Como você organiza suas tarefas?

How do you organize your tasks?

I prioritize my tasks based on urgency and importance, and I use a task list to stay organized.

#25

INTERMEDIATE

Por que deveríamos contratar você?

Why should we hire you?

Because I'm motivated, I learn quickly, and I'm committed to delivering good results and contributing to the team.

#26

HARD

Conte-me sobre uma ocasião em que você cometeu um erro.

Tell me about a time you made a mistake.

I once made a mistake because I didn't check all the requirements carefully. I learned from it and became more careful about reviewing my work.

#27

HARD

Descreva uma decisão difícil que você teve que tomar.

Describe a difficult decision you had to make.

I had to choose between two possible solutions for a project. I analyzed the advantages and disadvantages and chose the option that was more reliable and easier to maintain.

#28

HARD

Conte-me sobre um conflito com um colega de trabalho.

Tell me about a conflict with a coworker.

We had different opinions about how to solve a problem. We discussed the situation calmly, listened to each other, and agreed on the best solution for the project.

#29

HARD

Como você lidaria com uma discordância com seu gerente?

How would you handle a disagreement with your manager?

I would explain my point of view respectfully, listen to my manager's perspective, and try to find a solution that is best for the team and the company.

#30

HARD

Conte-me sobre um projeto que fracassou e o que você aprendeu com ele.

Tell me about a project that failed and what you learned from it.

A project I worked on did not achieve all its goals because we underestimated the complexity. I learned the importance of planning, communication, and identifying risks early.

#31

HARD

Como você prioriza suas tarefas quando tudo é urgente?

How do you prioritize your tasks when everything is urgent?

I look at deadlines, business impact, and dependencies. Then I focus on the most critical tasks first and communicate if priorities need to change.

#32

INTERMEDIATE

Como você reage quando recebe uma tarefa que não sabe fazer?

How do you react when you are given a task you don't know how to do?

I first try to understand the problem, research the topic, and ask questions when necessary. I see it as an opportunity to learn something new.

#33

INTERMEDIATE

Como você lida com mudanças de última hora?

How do you handle last-minute changes?

I try to stay flexible, understand the reason for the change, and adjust my priorities to meet the new requirements.

#34

HARD

Conte-me sobre uma vez em que você trabalhou sob um prazo apertado.

Tell me about a time you worked under a tight deadline.

We had a short deadline for a project, so I focused on the most important requirements, communicated with my team, and worked efficiently to deliver the project on time.

#35

INTERMEDIATE

Como você resolve problemas difíceis?

How do you solve difficult problems?

I break the problem into smaller parts, analyze the possible causes, research solutions, and test the best option.

#36

HARD

O que você faz quando discorda da decisão da sua equipe?

What do you do when you disagree with your team's decision?

I explain my concerns respectfully, listen to the team's opinions, and try to understand the reasoning behind the decision.

#37

INTERMEDIATE

Como você recebe feedback do seu gerente?

How do you respond to feedback from your manager?

I listen carefully and try to understand what I can improve. I appreciate constructive feedback because it helps me grow professionally.

#38

INTERMEDIATE

Conte-me sobre algo novo que você aprendeu recentemente.

Tell me about something new you learned recently.

Recently, I learned more about a new technology. I studied the documentation and built a small project to practice what I learned.

#39

HARD

O que você faria se não soubesse a resposta para uma pergunta?

What would you do if you didn't know the answer to a question?

I would be honest about it, explain what I know, and look for reliable information to find the correct answer.

#40

HARD

Como você define um trabalho bem-sucedido?

How do you define successful work?

I consider work successful when the goals are achieved, the quality is good, and the solution provides value to the team or the company.

#41

HARD

Como você lida com a clássica mensagem de feedback negativo da Gupy?

How do you handle the classic Gupy negative feedback message?

I remember it's about the profile match, not my competence, keep my talent pool updated, and try again!

#42

INTERMEDIATE

O que fazer quando seu perfil fica ativo no banco de talentos da Gupy para sempre?

What do you do when your profile stays active in the Gupy talent pool forever?

I keep smiling, updating my skills, and preparing for the next automated opportunity.

#43

INTERMEDIATE

Como explicar que você foi reprovado pela inteligência artificial da Gupy?

How do you explain that you were rejected by Gupy's AI?

I just say the algorithm was looking for someone else, but my code and motivation remain top-notch.

#44

HARD

Qual é a sua estratégia após receber o e-mail de que a decisão seguirá com outros candidatos?

What is your strategy after receiving the email that the decision will follow with other candidates?

I take a deep breath, review my resume, enjoy a cup of coffee, and apply for the next challenge.

#45

HARD

Como manter o otimismo após dezenas de testes de fit cultural e testes técnicos longos?

How to stay optimistic after dozens of cultural fit tests and long technical assessments?

I treat every application as practice, learn from the process, and trust that the right door will open.
